Incident Description: I was contacted by unknown persons on [WhatsApp/Telegram/Instagram] who offered a fake investment plan promising very high returns in a short time. They shared fabricated screenshots and a fake trading platform to show fake profits. Initially, I invested a small amount and saw false gains in the app, which convinced me to invest more. Over several transactions, I transferred a total of about ₹7 lakh. When I tried to withdraw the amount, the platform and all contact numbers stopped responding, and I realized I had been cheated in an online investment scam
